Debts of the Town, March 1st, 1857, \$7.917,56

The foregoing represents the receipts and disbursements, of the Selectmen of Lebanon, for the past year, according to the Books, this date; which are correctly cast and well vouched. We would like to have seen more precision, in some of the bills for labor, and material; such bills should specify the amount and price of the same. The affairs of the Farm appear to have been well conducted.
